## Message from the DSR President

Here we are in the middle part of June 2014. I hope all of you are enjoying the summer. It was good to get our 2014 Mother's day Car Show behind us for this year. I want to give a personal thank you, to all of you that made this possible. Especially all of the sponsors for their support. Without them it would just about be impossible to put the show on. Mr & Mrs Don Benson (DJ Express) did another fine job with the music & keeping all informed of the day's activities. Ross Sloan's son in law, David Jerrel took care of the photography. What some Great Shots he took! Thanks David. We were blessed with the Mulherin Home folks who really just added a lot of joy to all. Don't think for a minute they don't know how to party to the music.

To add a little extra we had according to reports the longest New Cadillac Limo in the State of Alabama in attendance.

Once again this year we were asked to help with some transportation for The Distinguished Young Women of America (Junior Miss). This will happen Saturday June 21st. Jim Henderson's Trolley will be involved along with the Antique vehicles. The Young Ladies will be transported from Springhill Baptist Church to The Museum of Arts on Museum Dr.

We have been working with Jason Cannon with Hooters at 3869 Airport Blvd. helping them to start a Cruise In on the 4th Saturday of each month. The first one will be on June 28<sup>th</sup> from 5:00 pm until 8:30 pm. DJ Express will be supplying the music and activities. So make plans to come and support this event and help spread the word.

Our monthly meeting will be on Thursday, June 26th at 7:00 pm. Make plans to attend and we will see you there. Zeno

**It's been a long time since...**  
**By Patt Paquet**

DSR had such an appreciative group of people for a display of automobiles than on Saturday, June 14, 2014. Carrington Assisted Living & Nursing Home extended an invitation for the club to bring cars for an early Father's Day celebration for all those men who were fathers, uncles, grandfathers, etc. All of the gentlemen residents who were able to go outside on their own or with assistance from the staff enjoyed a trip back in time from the mid 1960s to the late 1920s. A fair number of the fairer sex also had a go at looking over the display.

We were treated to a very tasty light lunch that provided an opportunity for visiting among ourselves while catching up each other's news. Seems the Fullers have been on another trip to Michigan that sounded very enjoyable.

Our next-door neighbor joined us with his motorcycle. He is a Desert Storm veteran and a number of fellows at Carrington delighted in recalling their youth through stories of how they had good times with "motor bikes". The two hours we were there went by quickly but the Activities Director assured us we would be invited back again. Providing vehicles were 2 Fullers, 2 Paquets, 1 Pendergrass and 1 Sloan along with guest, Lance Robinson.

## DSR assists in getting the Distinguished Young Women to their Mardi Gras Ball

This was on the Distinguished Young Women's Facebook page with the caption "Let the Good Times Roll! They're off to the Mardi Gras Ball in high class in antique cars, an antique trolley car and stretch limo all provided by Jim Henderson and the Deep South Antique Club!"

**AAAC Deep South Region  
Meeting Minutes  
May 22, 2014**

The May 22, 2014 meeting of the Deep South Region was called to order by President Zeno Chaudron. Visitors Clyde Smith, Mallory Henderson's guests, Isabella and Ashley, and Mike Derios were recognized and welcomed.

Motion was made by Charlie Lyles that the minutes of the April meeting published in the Sparkplug be approved. Jim Henderson seconded the motion.

John Pendergrass, Activities Chairperson, was asked to decline provision of Cars for Alzheimer's from 2-4 pm on May 30, 2014.

Carrington Center at 6801 Three Notch Road requested cars from 2-4pm on Saturday, June 14. This activity was approved as a club activity during a previous meeting.

Note was made of a cruise-in at Dawes Church on June 7, 2014 at 2900 Dawes Road.

Foy Bobo, Vice President expressed his concern over recent thought given to renting the club house to outside organizations as a way to raise money for the Club. Several members agreed with him.

The Treasurer's financial report for the April-May period was approved upon motion by Herb Thoms and second by Ross Sloan.

Herb Thoms, webmaster, reported request from the British Broadcasting Network to hire a Chevrolet Bel Air to be used in a movie filming a road trip from Charlotte to New Orleans, and driven by an actor.

Several other opportunities and activities were discussed.

Motion to adjourn was made by Herb Thoms and seconded by Zeno Chaudron. Upon approval, the meeting was adjourned.

Respectfully Submitted,

Tracy Metclaf  
Secretary

The next club meeting will be June 26<sup>th</sup> at 7:00.
