All DSR Members are reminded that it is that time of year again to renew your DSR dues of \$15.00 and renewal of AACA Membership. Your AACA renewal notice was enclosed with your September-October issue of the Antique Automobile. If you don't have the form, mail your check to AACA and mark your check with your AACA number and dues renewal. You may pay your DSR dues at the Christmas Party. 'TIS THE SEASON TO BE JOLLY.

Laughter, the Best Medicine®

IT WAS CHRISTMAS and the judge was in a benevolent mood as he questioned the prisoner. "What are you charged with?" he asked.

"Doing my Christmas shopping early," replied the defendant.

"That's no offense," replied the judge. "How early were you doing this shopping?"

"Before the store opened," countered the prisoner.

"It's SO ANNOYING when my dentist starts up a conversation while he's working on my teeth," one guy said to another.

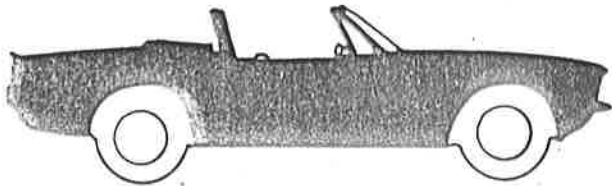

"I know just what you mean," replied his friend. "But my Uncle Edgar used to drive his dentist crazy."

"How so?"

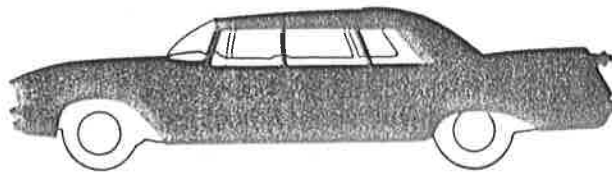

"He was a ventriloquist."

CHRISTMAS PARADE

Saturday, December 7, 1991 the DSR was well represented at the Till's-mans Corner Christmas parade. The weather was perfect for a parade. We had (20) cars in the parade, also there was a huge crowd on hand. Everyone seemed to really get with the Christmas Spirit. After the parade the car club was invited to Buddy Paquet's for refreshments.

IRVINGTON CHRISTMAS PARADE

Mr. James Francis has asked Ray Harper about the Irvington Christmas Parade on December 21, 1991 at 1 o'clock. He advised him that we would have to bring this up at the Christmas Banquet as the club didn't participate in any outing or parade without the majority vote of the club. Ray, mentioned to him he was sure that the club will vote for this and we will bring it up at the Christmas Banquet being held this year at the clubhouse on December 14 at 7 o'clock.

COPY MACHINE

The typewriter and the copy machine are in good working condition I had the copy machine cleaned . It probably will need to be serviced before to long. I was lucky this year I had no trouble with this machine.

EDITOR'S FAREWELL

As this year ends so does my term as editor for this newsletter. I was asked to do a job that no one else would accept. When I accepted I thought that I would have some support from the members. What I got was demands from some who think the editor is a personal secretary and undo criticism from some who refuse to do any work for the club.

Remember the old proverb. "Don't criticize some one until you have walked a mile in his shoes". If you refuse to help the club by never running for an office you have no just reason to pass criticism on those who do their share.

Support the newly elected officers this coming year. They are doing something that you refuse to do.

Jeannie
