Mar. 21 - Old South Show at Fort Conde

Mar. 26 - Thurs. DSR regular meeting at Clubhouse, 7:30 PM.

Mar. 27-28 - Pensacola Mustang Show. The biggest in the South!

The SPARKPLUG is non-profit and published for the information of our members and friends. Deep South Region meetings are held once each month on the fourth Thursday at 7:30 P.M. at the A.A.C.A. Club-house at 951 Forest Hill Drive at Zeigler Blvd. The SPARKPLUG will be mailed the weekend before each meeting. Annual dues are \$15.00. This includes wife membership if she is a National A.A.C.A. (or joint) member. National dues are \$18.00 single and \$22.00 joint (husband & wife). Membership is required in the National A.A.C.A. if you are a regional member.

PAQUET'S "911" CHILI SUPPER!

No, the chili wasn't so hot we had to call 911, but chili was included in our very educational outing!

On "Sadie Hawkins Day", February 29, the DSR had it's February outing. It was a most enlightening and well planned outing by Buddy and Patt Paquet with plenty

of great chili, crackers and cold drinks. We met at the clubhouse at 1:30 P.M. and after exchanging greetings and fellowship, swapping a few jokes and a lot of laughter, Buddy led us to the 911 Mobile County Communication Center. Buddy is the communication officer for the county sheriff's department there. He escorted us into the building on Zeigler Blvd. and showed us and explained the entire operation and answered all questions. It will certainly impress you at the very efficient manner they go about their work. I know I came back with a much higher opinion and respect for the 911 system. The 53¢ that you pay each month on your telephone bill only pays for the building, the equipment, and the maintenance of it. It does not pay for employees. They are from the sheriff's dept, fire dept, and police dept. and each 911 call goes to the appropriate dept, and the employees are paid by their respective departments, not by the telephone company nor by the 53¢ you pay each month.

The 911 system on Zeigler handles calls from approximately 1500 square miles which make up Mobile County. The City of Mobile's telephone exchange system's 911 calls from Baldwin County automatically go to Baldwin's 911 system. Sadly, of 75,000 calls to 911 received monthly in Mobile County, over 50% are nuisance calls, such as harrassing calls, children dialing 911, or just calls to ask a question. There are back-up systems to keep the 911 system operating in all emergencies such as power failures, hurricanes or other damaging situations. It was certainly an educational outing!!!!!!

Then back to the club house where Patt had prepared hot chili and crackers with a choice of cold drinks for us. She had got the chili from the Texas Cattle Co. restaurant and it was excellent! What a very nice afternoon get-together! A most pleasant time, beautiful weather and the grand old DSR good-fellowship prevailed again!!

IMPROVING THE DSR PROPERTY!

On Saturday, February 22nd, Bill Whiting and Lloyd took the AACA sign down that was in front of the club house to have a new one made. Bill has agreed to get a new one made probably out of marine plywood. He said he'd put fiber glass around the edges.

Then on March 3rd, Vice President Buddy Paquet, who is in charge of building and grounds, met at the club house with Lloyd and Lycyle, Ernie and Eugenia, and for a while with Hershel and Frances. We cleared the grounds of rubbish, sprayed the club house with insect repellent, sprayed around the outside with weed killer, and repaired the front flood lights. Buddy replaced the quartz light that lights up the front of the club house building. Bill Whiting is still in the process of getting the AACA sign replaced. Some that have seen it say it is beautifully done! All this is to improve the club's image and to prepare for our May 9th DSR Show. Buddy says we still need to improve the looks of our building by painting or with new siding. The DSR is moving forward and the future looks great! We want the DSR property to look super to our Show visitors!!

On the night of March 3rd the DSR executive board met and Buddy said we need a WORK DAY with all members that can, please attend. The board agreed on April 11th as the day, with a date of April 25th (also a Saturday) if we don't finish or if it rains. So plan on coming our April 11th and let's finish making the club house look great! And have a good congenial time doing it!!!!

Jewel Bell has requested that all club members, their children and grandchildren that would like to be in the fashion show at the club house on May 9th during our annual DSR Show, please call or contact Jewel at 633-7496, or Laura Faust at 633-5331, or Viola Howell at 649-2069. They need to know. Do plan on entering it if you can. It's always a lot of fun!!

FROM OUR ACTING CHAPLAIN, V. T. HOPKINS:

- WASTEFULNESS -

I read a humorous story about a woman who fell out of a second story window and landed in a slow moving garbage truck. Half buried in the litter, she tried without success to get the drivers attention. A foreign diplomat standing on the sidewalk saw her and quipped, "Another example of how wasteful Americans are. That woman looks like she is good for another 10 years"!

That's a funny story, but wastefulness is a serious matter. We live in a world when people are hungry and starving, not because food is scarce but because food is wasted and distribution methods are inadequate. No one person can eliminate this problem, but we can still do our part by avoiding wastefulness and sharing with others.

Jesus set a good example. He produced tons of food to feed more than 5000 people by miraculously multiplying a small boy's lunch. Then after all had finish eating He told His disciples to gather up the leftovers so that nothing would be wasted.

I'm not saying we must eat everything that is set before us so that it won't be wasted. That wouldn't be good for our health or our waistlines. But we can use good sense and conserve our God given resources with the welfare of others in mind.

When our cup runneth over, share it -- Don't waste it!

SICKNESS & ACCIDENT OF MEMBERS:

Sammy Francis had a small tumor removed from his bladder on Monday, March 2nd. He was an out-patient. He is doing good but is still troubled with back pain from the spinal injection. We hope at this writing that Sammy is doing much better.

Ray Harper's 84 year old mother had a stroke about 3 weeks ago and was in the hospital for 2 weeks. She is now in a nursing home and can't walk or eat alone. Ray's father is doing good but he does tire easily. He stays at home at night and with his wife during the day. Mrs. Harper was a great cook and home-maker. She loved sewing, quilt making and flowers. We all wish the best for Mr. and Mrs. Harper and we have them, Ray, Katherine and the Harper families in our prayers.

Margaret Ellis has had a sever case of flu. We hope she has recovered by the time you read this and that she is back and feeling good again!

Lucille Nettles is still having a rough time with asthma and bronchitis and Cecil with arthritis. Hopefully a lot of good warm summer weather will help. We certainly wish them well!

NEW MEMBERS

Don and Judy Dinkel have joined the Deep South Region. Don is sales engineer for General Electric Company, and they live at 9722 Sunview Drive in Semmes, AL. Their telephone number is 649-6792. The Dinkels are very involved with the Boy Scouts of America. They own a 1946 Ford truck and a 1952 Ford Victoria 2-door hardtop Crestliner. They have 2 children at home, David and Diana Nicole and they came recommended by Dale McLaney.

John and Viola Howell are now members of the DSR. They live at 3081 Greystone Drive in Semmes, AL and their phone number is 649-2069. John is retired and Viola works part time. They are good friends of Geary Polk and he stays with them when he is in Mobile. (Off the record, John says Geary has to be a growing boy because you can't believe how much he eats!). (Just kidding of course, the Howells love ole Geary). John and Viola own

a 1969 Sunbeam Alpine hardtop, a 1959 Hillman Husky station wagon, and a 1959 Sunbeam Rapier 2-door hardtop. They come recommended by Geary Polk.

Denny and Jeanne Lowe have also become members of the DSR. At the present time Denny is in Taiwan but hopes to be home by our May 9th Show. They own a 1949 Ford F-100, a 1961 Chrysler New Yorker, a 1962 Buick Electra 225 convertible, a 1963 Ford F-100, a 1965 Cadillac convertible, and a 1966 Thunderbird. The Lowes live on 6751 Victor Road in Mobile and their telephone number is 460-2568. They come recommended by Geary Polk.

Lambert and Reecie Mims have also joined us in the DSR. Lambert and Reecie are life members in the National AACA and they live at 3008 Bryant Road in Mobile. Their phone number is 479-2523. They do not at present own an antique car, but are hoping to find one soon. They have owned antiques before and have been in the AACA for many years. They come recommended by Ernie Youens and are also very close friends of Leon and Aileen Hunt.

John and Brenda Reid also have joined the DSR. They are active members in the Mobile Bay Mustang Club and own a trophy winning 1966 Mustang 2+2. John works for Systron Donner of California and Brenda at B & B Travel Agency. They live at 2601 Mountbrook Drive in Mobile and their phone number is 666-3761. They come recommended by Ernie Youens.

Hershel and Frances Whigham also are now members of the DSR. They live at 4515 Country Estates Drive in Saraland and own a 1954 Metropolitan convertible and a 1963 Falcon Sprint convertible. Both are beautifully restored. Hershel is retired and Frances works for the Mobile Health Dept. They come recommended by Buddy Paquet. Their phone number is 675-4902.

We are most happy to have these 6 couples join us and we are looking forward to seeing them often at our future meetings and outings. They are all the kind of folks we are proud to have in the club. Meet them, greet them, and welcome them aboard the Deep South Region!!!

KNOW YOUR MEMBERS

Hershel and Frances Whigham are two of our newest members, having joined the DSR in February this year, 1992. They have two very fine and beautiful antiques, a very early 1954 Nash Metropolitan, the 1200th Metropolitan built, and a 1963 Falcon Sprint convertible that is almost completed.

Frances works for the Mobile County Health Dept. as secretary to the personnel director and Hershel is retired from the State Highway Dept. They have been married 39 years and have two children. Hershel said they have been interested in old cars all of their lives. Their son owns an early Mustang.

The Whighams are sincere honest Christian people and will be an asset to the Deep South Region.

- CATAHOULA 1992 -

On the weekend of March 13-14-15, Catahoula had their 9th annual all-club pig-pickin' at the home of former DSR members Jerry and Linda Page. An estimated 250 people attended including 26 from the Deep South Region. The usual good time with the traditional bon fire, road rally and car games, and the Saturday night buffet style meal was enjoyed in the Page's antique car barn. It was a congenial fun time get-together and a count of heads was made to determine who gets the trophy that goes each year to the club with the most members attending. We fell a bit short as both Biloxi and the Horseless Carriage Club of New Orleans had 30 members each attending. A toss of the coin broke the tie and the trophy this year went to the Horseless Carriage Club! From the DSR were: (in alphabetical order) 1 Bell, 2 Browns, 2 Crowdus, 2 Fewes 2 Froehlichs, 1 Gould, 1 Griffin, 2 Harpers, 2 Hartmans, 2 Howells, 2 Jarvis, 2 Jordans, 1 Polk, 2 Whighams, and 2 Youens. This year the DSR furnished the pig at \$250.00 and next year the honor will probably go to the Jackson, Mississippi club. It sure was a very nice outing and the weather was beautiful! Jerry must have paid the preacher!!!!

THE MUSCULAR DYSTROPHY AUTO SHOW IN MOBILE

Thursday, March 12th, President Tom Brown, Activity Coordinator Lloyd Crowdus, and Editor Ernie Youens met with Jean Young, who is district director of the Muscular Dystrophy Association in Mobile. Jean wanted to discuss the tentative plans the M/D Ass'n has to hold an automobile show in the Expo Hall at the municipal auditorium with the cars inside. The plans are to have a \$5.00 registration fee per car with an entrance fee of probably \$3.00 per person to the public. All proceeds will go to support the Muscular Dystrophy Ass'n, which is certainly a very worthy organization. I was surprised to learn that M/D strikes one of every ten families in Alabama, and no one, regardless of status is exempt! Saturday, August 8th is the tentative date of the show. They will award trophies and want all area clubs involved as well as out-of-town clubs to join in for this fund raising event. The City of Mobile is also supporting this. Tom suggested that Jean attend one of our DSR meetings to answer any questions our people may have and she agreed. Possibly at our April 23rd meeting. Flyers will be out as soon as everything is confirmed and we will pass them out. It is certainly going to be nice for us. Out of the weather, cool, everything for a good cause, and security will be furnished. This will not only be beneficial to the M.D.A, but to the DSR as well, as we will be meeting people from all phases of the old car fields, and possibly meet potential new members under very pleasant circumstances. Let's all get into this and support Mobile's M.D.A! The M.D.A. has done this before in other areas with much success!

AT THE BEACH JUST REMEMBER - THE FAMILY THAT BAKES TOGETHER, ACHES TOGETHER!

BREWER CENTER MARDI GRAS

Friday, Feb. 28 at 9:00 AM, seven DSR antiques and two moderns met at Lowe's on Schillinger Road with "Moon Pies" and necklaces to join in the annual Mardi Gras parade through the Brewer Center. There were floats, a band, Azalea Trail Maids, and our antique cars in the parade. It is the nearest thing to Mardi Gras that these poor mentally retarded folks in the Brewer Center will ever get, and it delighted them. Many of them held out their hands and yelled for "Moon Pie!" And they loved them! Moon pie wrappers were everywhere and many had their mouths absolutely stuffed with moon pies and yelling for more. Some were jumping up and down and clapping. This is something that will really get to your heart, you can see the sadness and the joy in their lives. You come away feeling sad for them but very happy that you helped make a happy day for them!

We realize that Friday morning is a time when nearly all DSR members are working, but if you can get away to join this short Mardi Gras parade, plan on it next year and you will be guaranteed to feel good about it.

DSR members joining in were: 1 Bell, 2 Browns, 1 Crowdus, 1 Faust, 1 Francis, 1 Henderson, 1 Hopkins, 2 Jarvis, 2 Reids (our newest members in their '66 Mustang), and 1 Youens.

After the parade most of us went to McDonalds for very pleasant fellowship and coffee and a snack before heading homeward. The officials at the Brewer Center sent their thanks to the Deep South Region members for attending and helping to make a day to remember for the inmates there!

MINUTES - EXECUTIVE BOARD MEETING MAR. 3, 1992

The Executive Board meeting was called to order at 7:10 pm by President, Tom Brown. Bob Hedberg, Treasurer, was absent; all other Board members were present and reports are as follows:

President: Tom told the Board that he had been contacted by a representative of the Muscular Dystrophy Association requesting to be a guest speaker. No date has been set.

Vice President: Buddy advised the Board that we need to have a "work day" to get the club house and grounds ready for the car show. April 11, 1992 was designated with April 25th as a completion day if all necessary work was not finished. Each member would furnish their lunch so as to not deplete the club treasury for this expense.

Secretary: A copy of the last bylaws approved by AACA with a copy of a letter dated May 10, 1990 stating the bylaws should provide for a quorum has been received from AACA headquarters. The Board's recommendation is that three (3) members of the Executive Board and six (6) club members will constitute a quorum. (This will be brought before the membership at the March meeting.) Stationary from AACA is \$19.00 for letterhead/envelopes. Patt requested the club purchase the same but order 500 envelopes at a cost of \$38.00 and 250 letterhead for \$19.00. (This will be also brought up at the regular meeting.)

Treasurer: No report

Editor: No report

Activities: Lloyd suggested that we observe DSR's 25th anniversary by providing an anniversary cake and soft drinks at the March meeting.

Member at Large: Bill reported he has one price quotation on the printing of the Car Show program which was close in cost to last year. The Board felt it would be wise to get a least one more quote and if possible two so we would know that we are getting the best price possible. Bill stated he would follow up.

Being no further business to come before the Board, the meeting was adjourned at 9:20 pm.

Respectfully submitted,

Patt Paquet

- THE GREAT AMERICAN RACE -

On Thursday, March 19th at 5:30 the City of Mobile held a meeting with representatives of several car clubs in the Mobile area to discuss plans and seek support for the Great American Race that will meet in the Bel Air Mall parking lot on June 23rd and will spend the night in Mobile. Lloyd and Ernie represented the DSR. Other clubs represented were the South Alabama British Car Club, the Mobile Bay Mustang Club, The Mo-Par Club, and the Corvette Club of Mobile. Most of those present said they would talk to their memberships and get back with them. The next meeting is set for April 9th at 5:30. The City was represented by Gib Hixon, who is the Convention Center Sales Manager and Ben Caddell, a volunteer to help out and an employee of Grady Buick. At the DSR meeting this coming Thursday night Lloyd will explain a few of the details that we know about. There is still a lot to be learned and decided on.

- NEWS TID BITS -

On Thursday evening, March 21st at 7:00 the DSR had 4 antiques on display for a few hours at the Lumberyard Cafe on Dauphin St. for the third annual "21 Skidoo" benefit gala to support the Crittenton Teen Services, Inc. Lloyd had their 1955 Metropolitan, Don Dillehay their 1929 Model A, Bill Whiting their 1930 Model A, and Ernie their 1925 Model T. We all had a good time and it was supporting a good cause.

We missed one of our members in the sickness section of this newsletter. Eric Gould has a bad case of flu and wasn't able to attend the Catahoula picnic. Paula was there however and told us of Eric's tough luck.

Don and Jan Hartman are grandparents for the 8th time! Son Charles and his wife are the proud parents of their latest addition. Don and Jan were all smiles as they told us about it!

We were happy to have Mike Ross visit us at our last meeting and hope to have him back with us soon.

FOR SALE - 2 antique military jeep wheels and tires. Belonged to Oliver George. Call Ernie at 675-3615.

Some of our members have asked about the DSR by-laws. They were written in Jan. 1990 and approved Feb. 1990.

The annual "Doodle Bug Fair" will be held in Citronelle on May 2nd and Tom Brown would like to get some cars for a parade at this event.

On Sat. May 23rd the Saraland Methodist Church is having arts & crafts and an antique car display with trophies and a free meal to the driver. More on this later.

Didja ever wonder how they figure Easter Sunday? It can fall anywhere from March 21 to April 25. It's on the first Sunday after the first full moon on or after March 21st, which is the vernal equinox. (day & night same length)

COME TO THE IMPORTANT MEETING

Come to the DSR meeting this coming Thursday night at 7:30 and hear some of the most important things of the year for the DSR! We are moving forward! We have at least one new member to vote in and maybe more. We got 6 last time we met. And Geary needs support from the membership! This looks as if it's going to be the biggest show yet for the DSR! Plan on doing something to boost Geary - he needs all of our help to handle a show this size! Hear Lloyd tell about the 100 very old cars coming into Mobile on June 23rd with the coast to coast Great American Race. They will be arriving at the Bel Air Mall parking lot and be timed as they go through an arch that will be built there.

Tell us what you think of the first annual Muscular Dystrophy all club - all car show we hope to help put on, on Saturday August 8th at the Municipal Auditorium Expo Hall.

Don't forget the ads for our DSR Show Program must be in by this meeting as the printing must begin right away in order to get them in time for our show!

Don't forget too, this March meeting is the 25th anniversary of your Deep South Region! We will have a big anniversary cake with cold drinks or coffee to celebrate! We may have several visitors join us for our celebration! This is one meeting you won't want to miss!!! We will see you there!!!
