LAWRENCE MOSELEY AND BREWTON

No less than 1st Place with his 68 Chevy Pickup, Custom, long wheel base, Fleetside. Lawrence said there were 38 cars at the meeting. crafts, food etc...He was the only DSR member there. We had a multitude of shows on the same weekend this month. It looks like three every weekend this month. Congratulation to our pickup lover.

TOM BROWN AND MARTHA.

The honeymooners have acquired a new toy, 1963 American Rambler, special edition, white and gold.

DAVID ROBERTS, has applied for membership, he just purchased a 1934 Packard sedan, big and beautiful, hope to see him drive it to the Club soon.

SHARRON FONTANA, will be hard to catch up, she traded with her brother, no more 57 chevy, it became a silver and red 59 Corvette, and Pierre lost his Avanti in the deal.

LLOYD AND LYCYLE CROWDUS have been tooling around in the red Mustang convertible, I think Lloyd got the over heating bugs out of it...I think it is that color Red, paint it Blue and it will stay cool...

I would like to compile a new roster of all the cars we have in the Club, to go with the Membership list. When it is time again for Club dues, a slip of paper will be included in the Newsletter, if you return it to me, we will update last year's list.

Pierre.
