"OVER THE STEERING WHEEL"

SEPT. 6, 1983

AUGUST 14th - We had our outing and meeting all together on the Coffeeville Run. It was a nice day but very hot and we met in Creola at 10:00 and drove up Highway 43 to Jackson and then over to Coffeeville. We got to the Lock and Dam at 12:00, just in time to see a tug and 2 barges go through. It was very interesting to see how they do this and it was the first time for some of the members. We left there and then went to Bladon Springs for our picnic. The mineral water there tastes terrible and smells bad too but they say it is good for your health. George filled up three jugs full and brought home. We had a short meeting while there and Jimmy says the Show is coming just fine and the trophies should be in any day now. We bought them from the trophy shop here in town and saved some money on them. Everyone urged to go to the Jarvis wedding and help Junie. The display at Springdale was discussed and also the watermelon cutting at Emmetts house. We then started home and we came back through Silas and Chatom to Highway 45 and back home. We couldn't find a place open to stop and have coffee so some came home with us and I made coffee for everybody.

Those going were Helen & Emmett, Ruby & George, Rubye & Willies, Barbara & Jerry with Butch and also Jerry's brother and sister-in-law, Jimmy, Julie, & Jamie, Hazel, Bill, & Jarrett.

AUGUST 21st - We had our watermelon run at Helen & Emmetts house and it was really nice. Everyone had a nice time and plenty of watermelon and birthday cake as we celebrated Emmetts birthday also. We had a short meeting to discuss our car show and also Springdale Display. We decided to have a hospitality booth at the car show and all ladies are to bake a batch of cookies and a jug of tea, cool-aid, or lemonade so we can have available for all participants in the show. Jeanette Lowe, Lorraine Hinton, Jean Waites, and Jewel Bell will work this booth. Lloyd also reminded each member that they are responsible for one door prize. Those attending were:-

Well our Car Show is finally here. We will look for all of you early Saturday morning (by 8:00). Lets all hope for nice weather and smooth sailing. We think we have everything together but you just never know. Please all ladies of the Club bake a batch of cookies and make a jug of something to drink and bring or send it to us for the hospitality booth. Also each member please bring a door prize so we will have plenty of prizes for everyone. Also turn your tickets in for the drawing to any of the officers of the Club or to Rubye. We will sale tickets on the day of the Show (that is if we have any left). Remember the banquet is at 7:30 at Russos, everyone to order from the menu. See you all Saturday!

THERE WILL BE NO MEETING SUNDAY AS SCHEDULED SINCE WE ARE HAVING THE SHOW & BANQUET SATURDAY.

We will let everyone know later what outings we have coming up. The month of October will be Bob & Sarah Smiths and November will be H.D. & Jeanette Lowe and December will be our Christmas banquet.
