Sept. 15 & 16 - Outing - The Nettles leading an overniter to Monroeville. Meet at Saraland Alabama Power Co. at 7:00 A.M. Saturday, Sept 15th.

Sept. 27 - Meeting - **VERY IMPORTANT!**
266 South McGregor Ave. at 7:30 P.M.

The SPARKPLUG is non-profit and published for the information of our members and friends. Deep South Region meetings are held once each month on the fourth Thursday at 7:30 p.m. in Dr. W. T. Wright's office at 266 South McGregor Ave. The SPARKPLUG will be mailed the weekend before each meeting. Annual regional dues are \$10.00. This includes wife membership, with no extra dues, if she is a National A.A.C.A. (or joint) member. National dues are \$13.00 single and \$16.00 joint (husband and wife). Membership is required in the National A.A.C.A. if you are a regional member.

OUR AUGUST MEETING

President Lloyd Crowdus called the August meeting to order at 7:30 P.M. on the 23rd. There were 39 in attendance. On sickness and accident of members, Cecil Nettles reported that his youngest brother had had a heart attack. Gavin Edwards reported his sister in the hospital and Tex Faust reported his mother, DSR member Laura Faust, had fallen and broken the small bone in her foot.

Ed Grimes was at the meeting with his broken arm in a cast. Lloyd told of Shannon Douglas funeral and passed the plaque honoring Shannon around to the membership. It was in appreciation of the first donation to the DSR for a club house, given by Shannon. Lloyd said it will be permanently placed on the wall of the club house when we get it. Jeanie Dobbs asked for Maxwell House coffee paper bags or plastic lids off of coffee cans to be sent in for a coffee pot for the club house. The executive board meeting was brought up and the membership was asked for suggestions on ways to encourage more members to come out for the meetings and outings. A discussion followed and many of our members felt it impossible for some of our very loyal and otherwise very supportive members to attend. Lloyd told of the many people that helped get Shannon Douglas' gift of the 1957 DeSoto repaired, shinned up, and put up for sale. Many club members helped plus Jack Tolbert of Auto Clean, and Jerry Prater of 8-mile Starter-Generator Service. Lloyd encouraged members to patronize the businesses that donate their help to the DSR. Lloyd explained the progress on the club house and said that everything is looking good for the DSR. The mystery photo in the August SPARKPLUG was identified as Condie Langham. Gloria Rothenburg gave us information on the coming DSR Christmas Party (and election of 1985 officers). It will be held December 6th and will be \$10.00 per person, payable by November 10th. Details on the party later. Lou and Arline Eschete suggested placing an ad in the Thursday paper to announce our meetings. Jeanie Dobbs will look into the possibility. Lloyd requested support for the Old South Show on September 8th, the Pensacola Show (also on the 8th), and the New Orleans Show on October 20th as they all supported the DSR show. It was suggested that we also support the Meridian Show on October 25-27 as several of their members come to our show. The meeting adjourned at 8:30, and then "off to Shoney's", which is our proficient president's popular policy of promoting our people's participation in patronizing the particular pleasant place we prefer for partaking of pies, pastrys, pop, and other practical provisions.

Oct. 25 - Meeting - 266 South McGregor Ave. at 7:30 P.M.

Oct. 27 - Outing - The Shorts leading. Time and place will be in the October SPARKPLUG.

BOARD MEETING

President Lloyd Crowds called a meeting of the executive board and building committee for Sunday afternoon, September 9th, at 3:15 to make a decision on the club house building, which was offered to us by Dr. Helton for \$500. After much discussion on the pros and cons of building a new club house versus buying and moving an existing building, the group decided that the existing building at \$500 plus the moving costs was less costly to the club than building a new one. The recommendation by the committee was to accept the \$500 offer and Lloyd will complete the purchase.

Lloyd also told of the progress made in placing the antiques in Bel Air Mall for a substantial donation to the DSR. This will probably very nearly cover the cost of moving the building. (More about our cars in the Mall in this SPARKPLUG). The committee also made several suggestions on moving the building and construction of a foundation. This will be discussed further at our next meeting.

Meeting adjourned at 4:30.

The DSR received a very nice card from Glenda Douglas, wife of Shannon, with the following message:

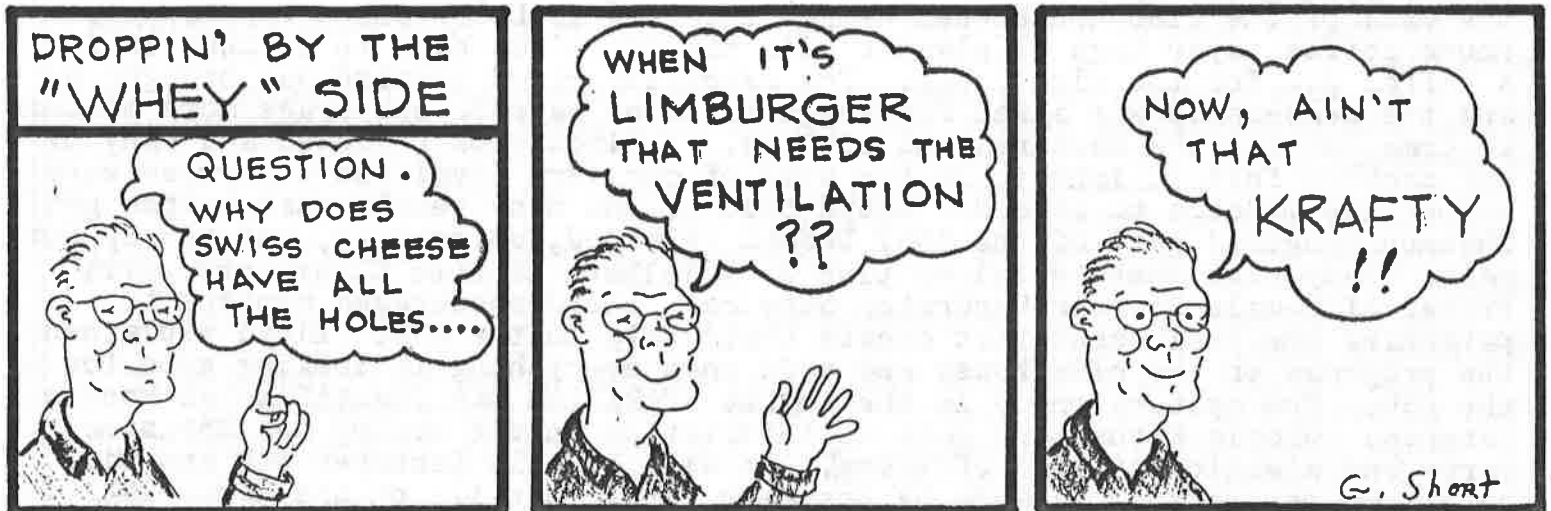

"The family of Shannon Douglas would like to thank each of you for the beautiful flowers".

The Douglas Family

Everyone in the DSR will certainly miss Shannon. It is best said by our Chaplain, Vernon Hopkins, in the Chaplain's Report on the next page.

Geary Polk told us he'd like to thank all members that attended the outing he led on May 12th and to all those that gave assistance putting on the meal. It was a birthday party he gave his mother, Mrs Faye Polk, with the DSR invited. 59 attended! We in the DSR would like to thank Geary for treating us to such a very fine party and such excellent food. In addition, we'd like to wish Mrs. Polk many more very happy birthdays!

"Ole Hop" is our expert on the "whey" cheese is made and this cartoon by Guy Short explains some of his vast knowledge on the subject.

SICKNESS AND ACCIDENT OF MEMBERS:

One of our newest members, Jerry Carner, had a knee operation shortly after he joined the DSR. He was in the hospital for two weeks following surgery in May and was able to get around only on crutches until mid August. We just recently learned of Jerry's misfortune and are very glad this very friendly and out-going member is getting back to normal. We are all looking forward to having Jerry with us on our future meetings and outings.

sickness & accidents continued on next page-

SICKNESS AND ACCIDENT OF MEMBERS: continued from the preceding page-

Condie Langham had an accident with a chain saw. The saw kicked back at him and he threw up his hand to protect his face. The running saw cut three of his fingers, one severely, but he is doing OK now. We are all thankful that no more damage was done and that Condie is recovering nicely.

Jeanie Dobbs felt nausea and felt faint recently. She was sent to the hospital and after medication she returned home. The trouble is still unknown but is possibly an inner ear problem. Deana claimed responsibility saying, "I just drove mother crazy". Now that sounds more likely than inner ear!

Bill Owen is recovering from a slight stroke that he had the last of July. He was at the Pensacola Show on September 8th, walking around with Nell and looked very good. We are glad to see Bill up and around so quickly. You know you just can't keep a good man down!

FROM OUR ACTING CHAPLAIN - V. T. HOPKINS:

THE PEACE THAT PASSETH ALL UNDERSTANDING

By the time you read this, I am sure you have all heard of the loss of one of our members in death, Shannon Douglas.

Shannon didn't attend many of our meetings because of his physical illness, however he was a faithful member and loved our club which was evidenced by his contributing his 1957 DeSoto to the club as a contribution toward our club house.

I had the opportunity to visit Shannon in the hospital a few days before he died. While there was evidence of some pain there was also evidence that he was at peace with God and self. This can come only through Jesus Christ. As I looked at the man, only 39 years old, that knew he only had a short time to live, and the peace of God reflecting on his face, it was inevitable that I ask myself, "Do you have the peace that passeth all understanding"??? Yes, he died a few days later, to this world, but his family can rest assured he lives in a world where there is no sorrow, no worry, no sickness, and no faults. There is only peace and happiness in him and all around him.

We praise God for a man like Shannon, and just to have been associated with him.

I am sure Shannon has called to mind many times the 23rd Psalm and it helped him to withstand some of the rigors of physical life through which he passed.

PSALM 23

The Lord is my shepherd; I shall not want.

He maketh me lie down in green pastures; He leadeth me beside the still waters.

He restoreth my soul; He leadeth me in the paths of righteousness for His name's sake.

YEA, THOUGH I WALK THROUGH THE VALLEY OF THE SHADOW OF DEATH, I WILL FEAR NO EVIL; FOR THOU ART WITH ME ; THY ROD AND THY STAFF COMFORT ME.

THOU PREPAREST A TABLE BEFORE ME IN THE PRESENCE OF MINE ENEMIES; THOU ANOINTEST MY HEAD WITH OIL; MY CUP RUNNETH OVER.

SURELY GOODNESS AND MERCY SHALL FOLLOW ME ALL THE DAYS OF MY LIFE; AND I WILL DWELL IN THE HOUSE OF THE LORD FOR EVER.

Friends, that is the peace that passeth all understanding. Do you have it? You can!

"Ole Hop"

IF YOU WANT TO FEEL RICH TODAY, COUNT ALL THE THINGS THAT YOU HAVE THAT MONEY CANNOT BUY!!

The West Florida Region's 17th Annual Show on September 8th was well attended, by 12 families from the DSR. In alphabetical order we had the Bells, Winston; Paul, Elizabeth, and friend Meredith Stewart - Marien Brent - Cap and Betty Capdepon - Art Griffin - Bill and Nell Owen - Jerry, Linda, and Jolene Page - Thad and Mary Partridge - Geary, Faye, and Darren Polk - Ed and Gloria Rothenburg - Guy and Barbara Short - and Ernie, Eugenia, and John Youens with friend Bill Hagan. That's 26 people that the DSR brought over! And everyone that took an antique over brought a trophy home! There were 77 antiques registered and Seville Square is sure a beautiful shady area for a show. A cool breeze blew in from over the water making everything very pleasant. Pensacola's West Florida Region is a friendly, congenial group with a lot on the ball and they are growing fast! They said they are watching the DSR grow and improve and they are taking a cue from us. Quite a compliment for our Deep South Region! Next is DSR's news item from the Old South Show written by our star reporter, Jeannie Hepler. Let's hope that the two shows won't be on the same date in 1985!

THE OLD SOUTH SHOW - By SPARKPLUG Star Reporter, Jeannie Hepler:

On Saturday, September 8th, the Deep South Region's antique car club members participated in the Old South Antique Auto Show held at Fort Conde in downtown Mobile. It was a perfect day for a show and everyone seemed to enjoy their hospitality. An outstanding job was done by their president, Jimmy Neese. A banquet and award presentation was held at Russo's that night and many of our DSR members brought home trophies. Our Deep South Region President, Lloyd Crowdus won the barbeque grille which was raffled off. The DSR had 42 of our members at the show with 24 antique cars registered for the show. Everyone had a great time.

THE LAUREL SWAP MEET - by SPARKPLUG Star Reporter, Jeanette Lowe:

The Laurel, MS Flea Market and Car Show was a success and a good time was had by all. Everywhere you looked you saw smiling faces swapping old rusty parts and stories! Needless to say, both parts and stories were priceless. Herb Counselman bought two more hit- and- miss engines and he was afraid to go home until he thought Reba would be in church Sunday morning. We haven't heard from him so we don't know if Reba let him in the house. While burning the road up going to Laurel, Hop lost a hub cap off of his Chevrolet. He said the underbrush looked to be inhabited with wild animals and sink holes, so he decided not to stop and look for it. So he was hunting Chevrolet hub caps at the flea market! In addition to the show, Art Griffin celebrated his birthday (39 again). In honor of the occasion, Alice Newman and Frances Gautier presented him with a birthday cake (a Danish pastry with 2 toothpicks for candles). In appreciation of their efforts, he sold the motorhome to Doug Newman and Earl Gautier plans to share by using the motorhome. The following Deep South Region members attended the show: Herb Counselman, Art Griffin, Warren Rollins, Doug and Alice Newman, Earl and Frances Gautier, George Lewis, Hop Hopkins, Ed Grimes and son, Eddie, and H. D. and Jeanette Lowe.

**OUR SEPTEMBER MYSTERY
PHOTO**

This 21 year old cutie is the wife of one of our very active members. She often attends our meetings and outings and is well known by all DSR members. Come to the meeting this Thursday nite, Sept. 27th at 7:30 and tell us who you think she is!

At the meeting on August 23rd Herb Counselman said that the new break dance is practiced by stealing hub caps off of moving cars.

WIFE TO DSR MEMBER:

"I don't care if it does do a great job - you're not using the electric tooth brush on your old wire wheels"!!!!

On Saturday morning, September 15th at 7:00 a group of our members met at Saraland Alabama Power Co. for an overnight run to Monroeville, led by Cecil and Lucille Nettles. We drove across the I-65 bridge to the Bay Minette exit and took back roads on into Monroeville. The weather was perfect and the scenery was beautiful. When we arrived in Monroeville we visited a few relatives of the Harpers and the Nettles, ate lunch at the Southwind Restaurant near our motel, went through the museum at the court house, and did some shopping at the big Vanity Fair store there. We then went to the very beautiful home place of Eric and Paula Gould, owner of two Model T's, who, along with several other Monroeville antique auto folks, treated us to a great barbeque supper. For dessert they had several freezers of homemade ice cream - all flavors - all delicious! Eric then showed us the antique car "stuff" he had, and he does have a lot of it. We bid the Goulds and other Monroeville folks farewell and headed for our motel for a good night's sleep. Sunday morning, brisk and pleasant, we ate breakfast at the motel restaurant, then took a most interesting ride through Burnt Corn, Alabama and other points of interest around Monroeville, before getting a sandwich and heading home to Mobile. On the way home we stopped at the grave of "Red Eagle", the half white Indian chief that led the massacre at Fort Mims. Further down the road we stopped at the home of Mr. R. L. Smith on highway 225 and looked at his antique cars and related equipment. Mr. Smith plans to join the DSR soon and he accepted an application. He will be a very fine and capable member.

This was a most outstanding outing. Our thanks to Cecil and Lucille and all the others that helped make this a truly great outing. We had 27 of our folks in 9 antiques and 3 moderns to make this great run!

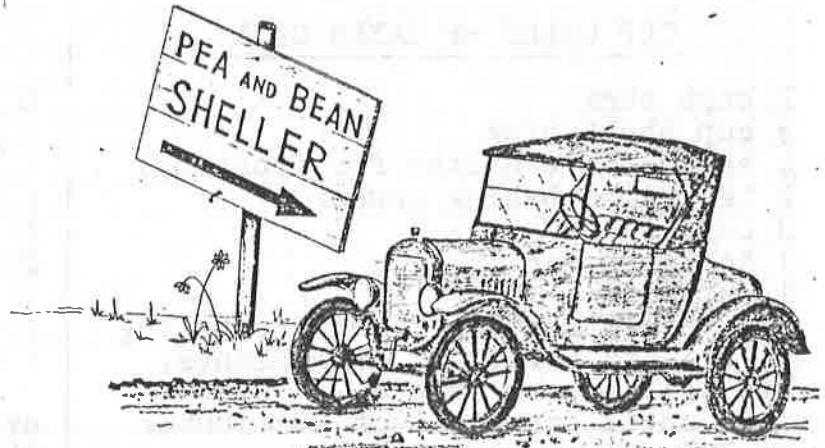

OUR PREZ SEZ:

Many thanks to Cecil and Lucille Nettles for a wonderful outing to Monroeville. This has to be one of our best get togethers of the year.

The Monroeville folks are a fine group of people. We thank them all for the trouble they went to in making us so welcome.

I would also like to thank all of our members who have been so helpful toward our club house project. The positive attitude you have makes the job much easier.

Lloyd

G. Short

On our Monroeville run H. D. gave out of gas with his 1925 T roadster on the way to the barbaque at Eric and Paula Gould's home Saturday evening. Where his car came to a stop was beside this sign, It's a true story by Guy Short!!

Bill and Jeanie Dobbs are about to complete their antique car garage and Bill said it has cost him about twice as much as he had hoped it would. It sure is a nice dry building and just right for their antiques.

George and Dean Skipper are in the process of building an outstandingly beautiful home complete with a garage for his antique cars, in Niceville, Florida. We were hoping the Skippers would build a little closer to Mobile but we are happy for them and wish them the best in their new home.

Mrs. Faye Polk said that several of the ladies from the DSR at her birthday party on August 12th, asked for these two recipes. We are printing them in the newsletter for everyone:

CUP CAKES or LAYER CAKE

2 cups sugar
 $\frac{1}{2}$ cup shortening
 4 eggs - (save whites for frosting)
 2 teaspoons baking powder
 2 cups flour
 1 teaspoon vanilla
 1 cup milk

Cream the sugar and shortening well. Add remaining ingredients. Mix well - pour into cake pans.

Cook until brown, about 20 minutes in 325 degree oven.

ICING

Beat egg whites real stiff. Pour enough water to dampen sugar, Cook until a small amount poured into a cup of cold water forms a hard ball - pour small amount of hot syrup into egg whites. Beat until stiff. Frost cake and put coconut on top and sides.

SEAFOOD GUMBO

2 quarts chicken broth
 1 whole chicken
 1 tablespoon gumbo file
 1 cup chopped celery
 1 cup chopped onions
 2 cups bell pepper
 Salt & pepper to taste
 1 large can tomatoes
 1 teaspoon hot red pepper (dried)
 Brown $\frac{1}{2}$ cup flour in bacon drippings. Add to chicken broth, which you will have after you boil chicken. Add large can tomatoes, salt and pepper.
 2 cups okra - add this last.
 Cook 10 minutes - serve over rice.
 You can add shrimp, crabs, or oysters to the pot. I put shrimp only - 2 or 3 pounds. Boil in one sack of shrimp boil.
 You can easily double this recipe if you need to.

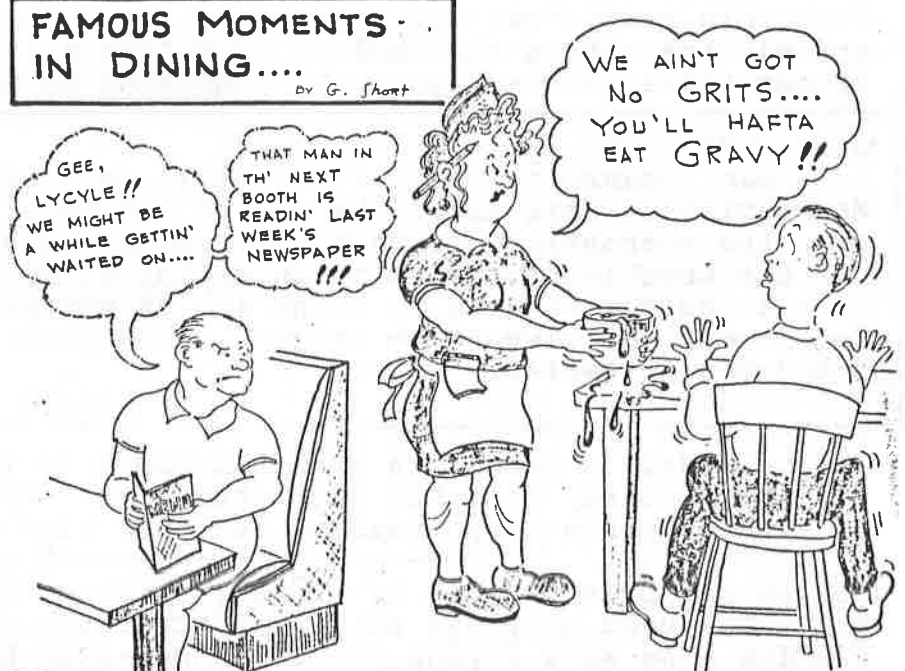

Mrs. Polk wants 16 oz. Ivory Liquid Bottles. She is using them to make cute little Christmas gifts. Please save your 16 ounce Ivory Liquid bottles for her! You may give them to her or Geary at the meeting.

Fred and Helen Newell spent the last weekend in August in Oklahoma City. Fred was at a reunion for his old 45th army division there.

On the way back home from the Smokey Mountain Tour last June, several of us left Cleveland, Tennessee Saturday morning and ate breakfast in a little cafe in Georgia. This cartoon by Guy Short sure brings back memories of the service we got. (That's Lloyd on the left and Jerry Page on the right, if you didn't recognize them!)

FAMOUS MOMENTS IN DINING....

by G. Short

LET'S ALL DO MORE FOR THE DSR IN '84!

Jerry and Linda Page have moved into their new home with a big antique car garage beside it. You remember the DSR visited the Pages last February at their new home while it was under construction. The fish fry that night was held in that big garage. Note that their new address is: Route 3, Box 855, Bay St. Louis, MS 39520, and their new telephone number is (601) 255-7384. Please mark this down in your DSR roster. We are happy for the Pages and wish them well in their beautiful, spacious new home!

NEW ACQUISITIONS:

Don and Jan Hartman again! This time they have acquired an unrestored 1929 Lincoln town sedan in very nice all original condition. It is black and has only 29,000 original miles on it! The Hartmans found and bought it in Ocean Springs, MS, right in our own "back yard". He said he needed to find a wire wheel and hub cap for it. It takes a 7.00 x 20 tire. Anyone that can help Don find this please let him or Jan know.

Bud Moseley's aunt recently died in Louisiana. She was 79 years old and in a nursing home. Burial was in Robertsdale on September 20th. Our sympathy is with Bud, Peggy, and their families.

ANTIQUUE CARS FOR SALE:

1929 Model A Ford town sedan. 65% restored, \$3800. Ask for Mr. Lundy at 457-6805.

1969 Mustang Fastback. Ask for Mr. Sutton at 342-9500.

1953 Plymouth 4-door - one owner - make offer. 342-8737. 1135-G South Beltline or see Paul Bell.

1968 Cadillac limousine. Fleetwood. Bishop Toolen's car in excellent condition. \$10,000 firm. If interested call 476-1822.

Gloria Rothenburg reported on the Christmas Party for the DSR. It will be on December 6th, Thursday, at 7:00 P.M. at the Rodeway Inn. We will meet in their Banquet Room. The cost is a very reasonable \$10.00 per person and must be paid by November 15th. You can pay either Gloria or Barbara Short. If you pay by check, make it payable to the DSR.

The newly organized "Play-time Metropolitan Club" in Pensacola held a meeting on September 6th at Adrain's Restaurant in Pensacola. Of the 14 people that met there 9 were from the Deep South Region. DSR members were Junie, Lloyd, Hop, Lucille and Condie Langham, Don and Jan Hartman, and Ernie and Eugenia Youens.

Laura Faust recently broke the small bone in her foot as reported in the Aug. minutes. She is improving and can walk around with the aid of a walker to support pressure from her feet. We will all be thankful when Laura can be active again, as we are all used to seeing her.

This is a photo of the 1957 DeSoto that Shannon and Glenda Douglas donated to the DSR to raise funds for our club house. The committee feels that it will pay for the building that the DSR has recently purchased.

If your cow doesn't give milk, sell HIM!

COMING SHOWS IN OUR AREA:

- Sept. 30 - Oct. 6 DSR Antique cars in Bel Air Mall. Exhibit only, no trophies. We need your help!
- Oct. 6 Wiregrass Antique Auto Club Show at Landmark Park, Highway 431 in Dothan. Reg. fee \$5.00. Street Rods welcome. For info call Dick Witkos 792-8528, Ray Turner 983-3191, Bill Marlowe 792-0597, or E. L. Bracklin, Jr. 794-0578. (All 205 area codes)
- Oct. 11-13 Hershey!!!! THE Show!
- Oct. 20 New Orleans Annual Show. For info call Charlie Froehlich at 504-392-6067. Support this show -- they support us!
- Oct 25-27 Meridian, MS 14th Annual Show at Village Fair Mall. Reg. fee \$5.00 1st car, others free. Awards banquet Sat. nite at Holiday Inn. For info: Dean Carmichael @ 601-693-6695 or Bob White @ 601-646-5609.

PLEASE NOTE!!

Lloyd has requested that as many of our DSR members as can meet next Saturday, September 29th, at our new club house site on Zeigler Blvd. at Forest Hill Drive and let's all pitch in and help clean the lot up! It will be a lot of fun all working together. Bring your own chain saw, axe, garden tools, or what ever you like to work with. We will meet at 9:00 A.M. Bring your own cold drinks a sandwich, and lawn chairs. If you can't make it at 9:00 A.M. - another group will be joining us at 1:00 P.M. - just come when you can and we'll all have a good fellowship working day! See you on the DSR lot!

This article was in the August Model T Ford Club's newsletter concerning the outing to the Odom's. Several of the Model T'ers had planned to come but for various reasons, they all dropped out. We certainly do "forgive" them and hope we can all meet again somewhere at some future date.

Well T-Modelers, we let her run low on water during the hot month of July. I had to call Ernie Youens of the Mobile Club to find out that none of our members attended the meeting in Mobile. Ernie said they had a really good time. Seventy of their members showed up on Saturday for the fish fry. Afterwards, they watched video movies of the meeting at Jerry Page's house, The Biloxi Show and their tour to North Carolina. Ernie said they were disappointed we didn't show, but they forgave us. That Mobile Club is a big hearted bunch. Thanks to Mobile for what would have been a fun time.

LET'S ALL DO MORE FOR THE DSR IN '84!

On November 10th, Saturday, Herb and Reba are having an antique auto and engine show at their home in Mississippi. The Counselmans have invited the DSR and others from Biloxi and elsewhere. Please bring a covered dish and join the fun! We will have more details in the October SPARKPLUG.

Guy and Barbara Short's outing is being planned for October 27th on Saturday. At the meeting next Thursday night, September 27th, Guy wants to ask the membership about a couple of plans he has about the outing. Then we will print his decision in the October SPARKPLUG, which will be mailed out on October 21st. Please keep October 27th in mind for the Short's outing and be at the meeting Thursday night to hear his questions.

Just got a call from Herb Counselman. He wants to sell his pretty 1956 Ford Victoria 2-door Customline hardtop. He wants \$3500 and will include a 1956 Ford Customline 4-door parts car. We hate to see Herb put this pretty car up for sale but here is a great buy for someone!

WORDS OF WISDOM FROM OUR PREZ: Always forgive your enemies. Nothing annoys them so much!

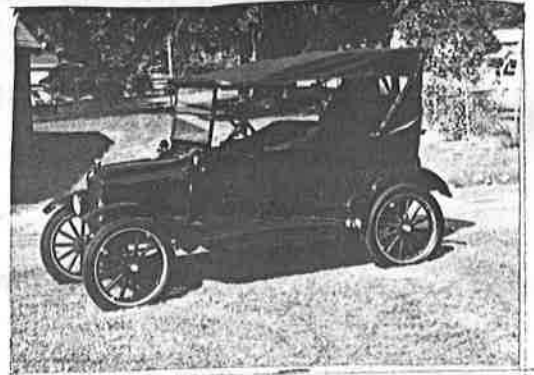

--NOTICE--

When we put our cars in the Bel Aire Mall next week, we are responsible for oil drips or floor clean-up under our cars when we leave. Let's leave a "good taste" with the Mall management so we will be welcomed back on other occasions!

VERY IMPORTANT NOTICE

We need 45 cars in the Bel Air Mall, to be put in on Sunday, September 30th at between 4:00 and 5:30 P.M. for 7 days. We will remove them the following Sunday afternoon at 4:00, October 7th. For this the Deep South Region will receive our largest donation yet by anyone! We will realize enough out of it to nearly pay for moving the DSR building which is at present located at University and Airport Blvds. The building has already been purchased by the Deep South Region and the effective date of possession is November 1st. By selling the 1957 DeSoto, which was donated to the DSR by the late Shannon Douglas, we will realize enough to pay for the building. We must have the cooperation of all our members to get 45 cars for the Bel Air Mall display to realize this "dream come true" of a building and lot with the cost totally covered by donations. Please do YOUR part and help the DSR! There are only a few antique car clubs in the country that can boast of their own meeting place and we will be one of them! You belong and are part of one of the most active and forward moving antique car clubs in the U.S.A. I cannot stress too much the importance of your help in getting cars in the Mall. When our calling committee calls, please say, "Yes, I'll do my part", thank them for calling, and let's all move forward!!!

During the display of the 45 DSR cars we will have in the Mall the first week in October, the Mall management will be giving away an unrestored 1923 Model T Ford touring car in running condition. President Lloyd, with the help of all other DSR officers and several members, found the '23 T for the Mall management, got it running and they bought it to give away, with no purchase necessary, by registering for it in the Mall during the DSR display. This was their idea and is a great advertising plan for them and in turn will give us the boost we need. Aren't you glad you are a member of one of the country's most positive acting clubs!!!!???

This is the 1923 Model T touring the Bel Air Mall management will be giving away on the first week in October.

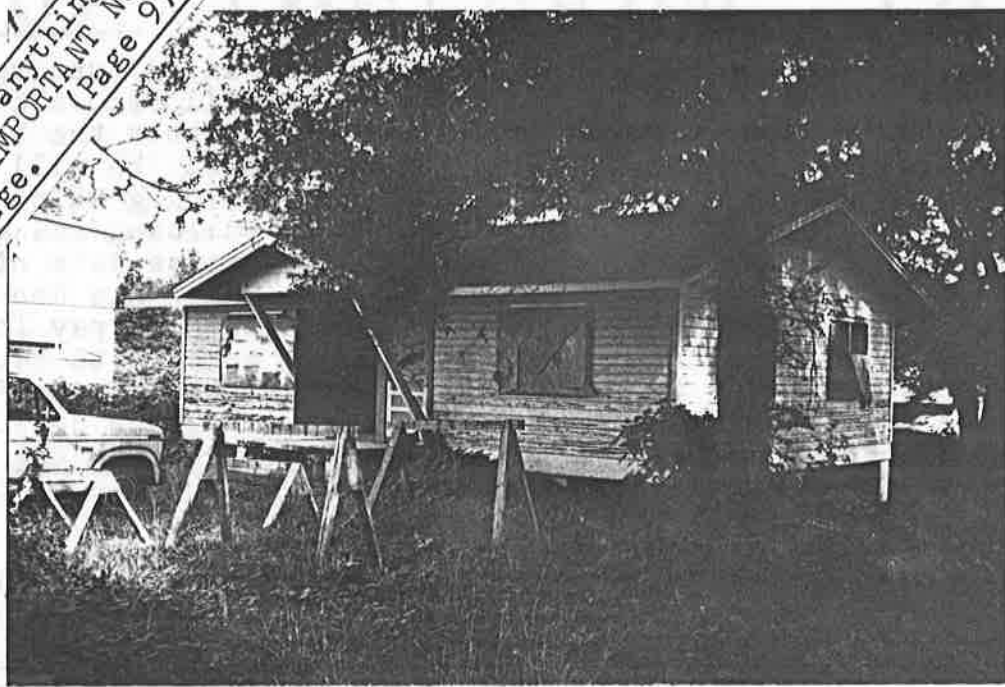

David Hepler will have guard stands at the meeting for anyone who has not got theirs for the protection of their cars while on display. Be at the meeting and get yours. Lloyd has the rope to rope them off with.

We will be needing volunteers to stay at the Mall during certain hours to keep an eye on the cars on display and to meet the public to answer questions about the cars and our club. Please come to the meeting this Thursday and volunteer at least a few hour for this service. We need both ladies & men.

Please be at the meeting Thursday night, September 27th, at 7:30 P.M. at 266 South McGregor Ave. This is a very IMPORTANT meeting! Don't miss it!!!!!! Lloyd needs the support of all members now to put this over. He will explain all the plans and progress that has been made in obtaining the lot, the club house building, in land scraping, in construction of a foundation, in sewer hook-up, and various other things. It's all been done!! And most of it is donated or done so cheaply we can't lose! Come guess who the 21 year old cutie is in our mystery photo! We'll see you at this important meeting!!!!

SUPPORT YOUR DSR!

If you don't read anything else,
read the "VERY IMPORTANT NOTICE"
on the last page. (Page 9)

This is the building the DSR has purchased for \$500.
It is a good strong building with 2 rest rooms and
no interior supporting walls. An ideal club house!
