Sparkplug

NEWSLETTER OF THE
DEEP SOUTH REGION

The SPARKPLUG is non-profit and published for the information of our members and friends. Deep South Region meetings are held once each month on the fourth Thursday at 7:30 P.M. at the A.A.C.A. club-house at 951 Forest Hill Drive at Zeigler Blvd. The SPARKPLUG will be mailed the weekend before each meeting. Annual dues are \$15.00. This includes wife membership if she is a National A.A.C.A. (or joint) member. National dues are \$18.00 single and \$22.00 joint (husband & wife). Membership is required in the National A.A.C.A. if you are a regional member.

DEDICATION CEREMONY

COCHRANE BRIDGE

August, 29. The Deep South Region had 15 cars for the ribbon cutting ceremony. The Governor, Mayor and several other state officials attended the Cochrane Bridge Dedication. My thanks, to all who participated in this outing.

DSR: Reporter:
President Tom Brown

Is That a Fact? (With smile - You're Not On Candid Camera.)

THIS "HISTORY REPORT" is composed of student bloopers collected by teachers throughout the country.

Christopher Columbus was a great navigator who discovered America while cursing about the Atlantic. The winter of 1620 was a hard one for the Pilgrims. Many people died, and many babies were born. Capt. John Smith was responsible for all this.

One of the causes of the Revolutionary War was the English put tacks in their tea. Thomas Jefferson, a Virgin, and Benjamin Franklin were two singers of the Declaration of Independence.

Abraham Lincoln's mother died in infancy, and he was born in a log cabin which he built with his own hands. When Lincoln was President,

he wore only a tall silk hat. He wrote the Gettysburg Address while traveling from Washington to Gettysburg on the back of an envelope.

Napoleon wanted an heir to inherit his power, but, since Josephine was a baroness, she couldn't bear children. The sun never set on the British Empire because the British Empire is in the East and the sun sets in the West. Queen Victoria was the longest queen. She sat on a thorn for 63 years.

The 19th century was a time of many great inventions and thoughts. Samuel Morse invented a code of telepathy. Charles Darwin was a naturalist who wrote the Organ of the Species. And Karl Marx became one of the Marx brothers.

—Richard Lederer, *Anguished English* (Wyrick)

Copied by the Dept

Our Labor Day Outing, this year was hosted by Agnes and Howard Shafer, and Katherine and Ray Harper. As usual it rained, I mean it rained. Boats would have been easier for travel instead of our Model A's and our Model T's and Chevy and Buick Saturday, the group drove through the backroads. We also visited Burnt Corn Alabama, where we toured a Mercantile Store. It seemed as though time stood still and we were back in the 1930's. After a shopping trip to Monroeville outlet mall we headed back to the Shafer's 100 year old country home for Saturday night dinner. A old time sing along with a country band ended a perfect relaxing week-end. Thanks to Howard, Agnes, Ray, and Katherine for a superb outing. The members who could not attend this outing missed a well-planned event.

The Great American Race of 1992 will be coming through Meridan, Birmingham, and New Orleans June 24, 1992. More on this event coming up at a later date.

Saturday, September 7, was the Deep South Region clean-up and yard sale day. Around a \$100.00 was made. Thanks to all who came out and pitched in to help. Ed and Joan Lunsford, our new members came and really pitched in to help. Let's all new members try to make and effort to support your club. Pierre Fontana, was our cook. I might add, a well-done and delicious lunch he prepared for us. My thanks, to all who came and helped.

DSR: Reporter,
President Tom Brown

The nominating committee will be selected soon to appoint our new officers for the coming year. If you are interested in taking one of these positions, please give your name to President, Tom Brown. We are always looking for new officers with new ideas. So think about running for an office, let's make 1992 the best year ever for the Deep South Region.
