Zeno's Corner

We have had so many events going on in the last couple of months! Every time I open Facebook, I see DSR members and the cars featured in the photos from cruise-ins and car shows all over the Coast. We had a great time at the Summer Kick-Off at the library downtown. This was a new event for us, and it was great fun showing off the cars to the hundred of kids who attended the event. Who knows which of those kids may have been bitten by the old car bug because of us!!!

Regards, Zeno

Graduation Party - May 22

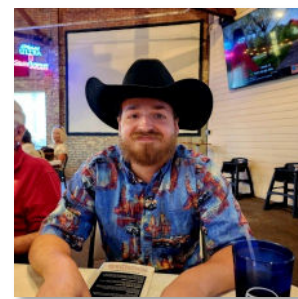

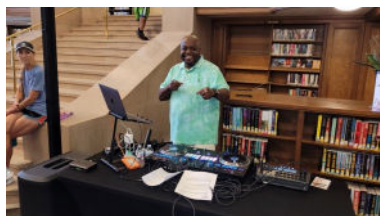

The DSR had three young club members who graduated from high school in May! We decided to celebrate these remarkable young people with a graduation party during our regular monthly meeting. Calleigh Chaudron is the granddaughter of Zeno & Rheba Chaudron, and she graduated from West Lauderdale High School in Collinsville, Mississippi. Lexi Bolton is the granddaughter of John & Debbie Bright, and she graduated from McGill-Toolen in Mobile. Nate Goff is the grandson of Linda Hinkel, and he graduated from Ocean Springs High School in Mississippi. We wish these great young people and all those we know who are heading into the next chapter of their lives the best of luck as they navigate their future.

Mobile Public Library Summer Kick-Off - May 31

What a wonderful day! The DSR was invited to display our cars at Mobile's Ben May Main Library during their Summer Kickoff Party. This fun event was a great success and the perfect way to introduce young people to the hobby we all love! With our group there is always food involved and thus a trip to Moe's Barbeque was enjoyed by all!
