Fun With Father

Children's Children are the Crown Of Old Men, and The Glory Of Children is Their Father. Proverbs:17:6

A grade school teacher held a contest. She asked her students to describe what they liked best about their fathers.

The winning entry read, "I have so much fun with my father that I wish I had known him sooner. A commitment like that would brighten the day for any father who loves his family. Yet in many homes the children never really get to know their Dad because he doesn't take time to be with them. In the morning he is either too hurried or too grouchy. After work, he's so tired that he spends the evening snoozing in front of the T. V.

On Saturday he's doing household chores or golfing with his friends. On Sunday, he's glued to the T.V. watching football or baseball. The weeks, months, and years roll by without Dad ever really getting to know his children.

The wise father, however, provides occasions for just talking, laughing, and having fun. I remember hearing my Dad tell jokes and then laugh harder at them than anyone else. I wish we could have spent more time together.

Some Dads need to be more concerned about their offspring as they are about their golf swing.

Copied--"Old Hop"

By the time a man realizes that maybe his father was right, he usually has a son who thinks he's wrong.

We would like to thank our DSR members for the flowers sent to my mother's funeral in Texas on June 29th. As I was in the hospital following surgery, Eugenia and I were unable to attend her funeral, but my sister said the DSR flowers were truly outstanding. Thanks to you all.

Our thoughts and prayers are with David Hepler and family of the sudden death of his father, Verlan Hepler. He was a great father-in-law and will be sadly missed.

A lady was telling her husband about the fine new automobile their neighbor was going to get. "What is the name of the car?" "I can't remember, but it starts with a "T". "That must be a Ford. All the others start with gasoline.

ATTENTION: ALL DSR MEMBERS

Bring garage sale items already priced to the clubhouse, Friday Sept. 6. 7-9pm. Garage sale and clean-up day Saturday, Sept. 7. Those DSR members planning to help with the yard sale be there early (6am). Bring yard tools for clean up. Cook out following the yard sale.
