The SPARKPLUG is non-profit and published for the information of our members and friends. Deep South Region meetings are held once each month on the fourth Thursday at 7:30 P.M. at the A.A.C.A. club-house at 951 Forest Hill Drive at Zeigler Blvd. The SPARKPLUG will be mailed the weekend before each meeting. Annual dues are \$15.00. This includes wife membership if she is a National A.A.C.A. (or joint) member. National dues are \$18.00 single and \$22.00 joint (husband & wife). Membership is required in the National A.A.C.A. if you are a regional member.

MDA SHOW BIG SUCCESS!

The First Annual MDA Car Show was a great success and everyone seemed to enjoy the fellowship with the other car clubs as well as with the visitors not affiliated with any club. There was a very good turn-out of show car people as well as spectators at \$1.00 per person admission. This show was held on Saturday,

August 15th at the Mobile Fairground on Zeigler Boulevard and was to raise money to help those unfortunate people with crippling muscular dystrophy. Approximately \$5000 was raised with all proceeds going to MDA. The Ard Oil Company and the Citgo Oil Company made substantial donations and the cars and the spectator admission brought in the rest. You can all be proud of the part our clubs did in this very good boost to assist the MD victims and help in attempting to find a cure. We can all sleep a little better knowing that we all helped a bit. And another good part is that your show fees were tax deductible!

There were 96 cars registered for display and the 38 DSR members that attended entered 30 of their cars. From the DSR, Gavin and Gladys Edwards won a 3rd place trophy with their 1928 Model A roadster, Jim and Nancy Henderson won a 3rd with their 1951 Ford and Jerry Finley won a 2nd with his 1966 Mustang.

An outstanding antique automobile registered and displayed at the MDA Show was the 1992 Great American Race car number 28, the "Cajun Pride" from Baton Rouge, Louisiana. It was brought here by antique car restorer Bob Miller and the MDA presented this 1930 Model A roadster with a special award for the support these fine folks gave the Muscular Dystrophy Association.

A sincere THANKS to all those that went all-out to make this show the great success it was!!!!

CLUB HOUSE MAINTENANCE

Have you noticed the new siding on the club house? We got it at cost for \$2286. As our treasury is not in the best condition, many members have made donations of from \$5 to \$100 to help pay for it. If you haven't made a contribution, please do so at the meeting. We are still over \$300 short. All donations are being kept strictly confidential.

MINUTES - EXECUTIVE BOARD MEETING

AUG. 4, 1992

The Executive Board meeting of the Deep South Region AACA was called to order at 7:05 pm by Tom Brown, President.

OLD BUSINESS & REPORTS:

President: Tom had no old business to be covered; he advised the Board he would be entering Providence Hospital Aug. 6, 1992 for cardiac evaluation.

Vice-President: Buddy noted the siding had been completed but the contractor wanted to check on the job prior to billing the club for the work. He said that as of this date there was a deficit of \$332.00 toward the project.

Secretary: No report

Treasurer: Bob did not submit a report to the board but did state that he thought we should make every effort to make sure our new members are made welcome and are involved in club activities.

Activities: Lloyd told the Board there continued to be many activities to which the club had been invited to participate. Plans for the Christmas party have been finalized with Korbet's Restaurant. It will be Dec. 12, 1992 at a cost of \$25.00 per couple.

Editor: Ernie will put a notice in the newsletter regarding the building fund. He also will be hospitalized for knee surgery on Aug. 12, 1992.

Member at Large: No report

NEW BUSINESS & DISCUSSION: The Board participated in a general discussion of the 1993 car show. Each member contributed suggestions for the show and Buddy, along with Bill Whiting, hoped to plan for a meeting of the two of them together with Dale McLaney and Pierre Fontana to formulate a basic plan and budget.

Jim Henderson attended the Board meeting as an interested club member and observer. The Board was pleased to have a member attend and agreed that it was in the best interest of the club as a whole.

Being no further business to come before the Board the meeting was adjourned at 9:20 pm.

Respectfully submitted,

Patt Paquet

A NOTE OF THANKS

I would like to thank all the DSR members who worked on the MDA car show. You really made it a successful event for them. There are so many of you that I won't list names for fear of leaving someone out. You know who you are that folded registration forms, stuffed envelopes, put up posters, handed out flyers and worked on the day of the show. As far as I know, we had only two major problems; the main food vendor was unable to be there and the other was a public service announcement Channel 10 put together. There was a picture of the sign in front of our clubhouse in the group of pictures given to them to use to make up the PSA. Evidently they thought it was a good one and used it. Since it has the AACA logo on the sign, it was improper to use the picture. And here I have to thank Ray Harper because he saw the PSA and called me to let me know about the error. Fortunately I was able to get Channel 10 about 7:00 PM that night and get it pulled. I am grateful to Ray for his concern and I appreciate his calling it to my attention. I contacted our National headquarters to let them know what had happened and received a very kind reply from Bill Smith, Executive Director. Again, thanks so much to everyone for your hard work.

OUTING TO ERIC AND PAULA GOULD'S

There's another very good outing coming up! On Labor Day weekend, Friday evening, Saturday and Sunday will be much fun and activities at the Goulds in Excel, Alabama. On Friday evening, September 4, will be a spaghetti supper for all those arriving early. Saturday morning, Sept. 5, we'll have a country style breakfast, then Saturday noon bring your own picnic lunch which will be followed by a road rally in the antiques. Saturday afternoon we will all eat together. Bring a covered dish or a casserole. Then Sunday morning we all will tour back roads to Brewton for lunch on your own at the Brewton Inn Restaurant -- then home. Eric and Paula have plenty of room for motorhomes and there are several motels nearby. The Goulds always put on a fine outing involving several clubs. Make this one if you can. And you can still make the Labor Day car display at the Fairground on Monday!

NEW MEMBERS

The Deep South Region is growing well! We are happy to have eight new members joining us this month!

Melvin and Betty Neese of 8451 Silver Pine Road in Semmes, zip 36575, have joined the DSR. They have a 1923 Model T Ford "Barn Hack". Melvin works at the Superior Printing Company in Mobile and Betty keeps the home fires burning until he gets home. Their telephone number is 649-3038. The Neeses come to us recommended by Ed Lunsford.

Orville and Ann Carter of 4505 Country Estates Drive in Saraland, zip 36571, are now members of the DSR. The Carters own a prize winning 1940 Chevrolet coupe. Orville is a property insurance claims district manager for Allstate Insurance Company and Ann is a representative for Metropolitan Insurance Company. Their telephone number is 675-2836. The Carters come recommended by Hershel Whigham.

Francis and Marjorie DeCrease of 6712 Rolling Green Drive in Mobile, zip 36695, have become members of the DSR. The DeCreases are searching for an antique car, preferably an early T-Bird convertible or an early Mustang convertible. Their telephone number at home is 666-9393 and Francis can be reached at work at 434-1717 where he is Mobile Police Administrator, working with Chief Johnson. Marjorie works at the County Health Department at the same place Frances Whigham works. The DeCreases come to us recommended by Bob Hedberg.

Al and Anna White of 4910 Oxford Drive, just a few blocks from the club house in Mobile, zip 36618, have now become DSR members. They own three restored early Mustangs, a 1964½ hardtop, a 1966 hardtop and a 1966 GT muscle car convertible. The Whites are long time members of the local Mobile Bay Mustang Club. Al is hunting a Model A Ford. Their telephone number is 344-2643. Al is retired and Anna works as secretary for Mobile College's athletic department. The Whites come recommended by Ernie Youens.

The DSR is happy to have the Whites, DeCreases, Carters and Neeses join us and we hope to see the all often at our future meeting and outings. When you meet any of these fine people, greet them, welcome them and get to know them. Our club is most fortunate to not only have the quantity but also the quality of folks joining! Welcome aboard the good ship, "Deep South Region" folks!!!!!!

FROM OUR ACTING CHAPLAIN, V. T. HOPKINS:

"WE NEED YOU ALL"

Two friends who met in a super market that hadn't seen each other in years. One asked the other, "Tell me Mary, how is your son George?" Mary replied, "He's getting along fine. He is a poet and just received his master's degree in literature from the University."

"What about Jane?"

"She's just about as smart as George," replied Mary, "She graduated from college with a degree in modern art."

"Wonderful, and how about little Freddy? What is he doing?"

Mary said, "Well, Freddy is still just Freddy. He couldn't go to college so he became a plumber instead. If it weren't for him we'd all be starving."

That's the way it is in the Antique Car Club. So often if it weren't for those who perhaps think "I'm not so important," or "they won't miss me," or "they don't need me," we would have to close the club and go home. Always remember, you are important to the club, our programs, and our property. Thanks for being who you are just where you are!

Even if you just joined the club, you have the exact same privilege as the oldest member in the club. You are expected to participate in the business meetings, the physical work at the club house and the outings that we all enjoy. Get to know us, associate with us, and I'm sure you will enjoy being a member with us. Try it!!!!

"Ole Hop"

SICKNESS AND ACCIDENTS OF MEMBERS:

We are all pleased to learn that Gladys Edwards is much improved and is planning on a 50th wedding anniversary celebration at their church on Sept. 6th and the Deep South Region is invited.

Lucille Nettles' brother, Orlando Biggs, is still in the hospital. He has been there for two months, first with a heart attack then open heart surgery and has had to be opened up several times because of severe staph infection. Lucille and Cecil have been going to the hospital every day for the past two months to check on him and it has put them under a severe strain.

Deward Kyser is doing much better after a hernia operation. He is up and about but still is unable to work. There is no way Deward is going to be kept down for long!!

Eric Gould was in traction 8 hours a day for several weeks the last of June but seems to be doing OK now. He and Paula are planning their annual all-club get together this Labor Day weekend at their home in Excel.

Bert Carver, we understand, is doing good following his surgery and is up mowing the grass! Careful now, Bert!!!

Tom Brown is improving daily! He's still having to take it easy following his by-pass heart surgery on August 7th. He said he is getting use to the no-fat diet. He said to tell everyone that he will not be at the meeting Thursday but he will be thinking of us! And we will be thinking of Tom! We will miss our smiling President at the podium!

Bobby Hover came home on the 17th after a two week stay in the hospital with a double by-pass heart surgery. Lisa said he's doing great and is slowly getting his strength back. Bobby and Lisa were DSR members last year.

Yours truly, Ernie Youens, had knee surgery on August 12th and I am doing real well with the exception of having to not walk about too much. The doc said I should be back to normal in a couple of weeks

JERRY PAGE

A smile for everyone, a pal, a great antique car enthusiast, member of many clubs and a friend of them all, died July 24th of a heart attack. He was just 44 years old and had suffer d far more than most of us know, but even at those rough times he greeted you with a smile and a handshake. There were many people at the funeral with many of them in their antique cars that Jerry loved to see. He was taken to the Page family cemetery near his home in a Model T serving as a hearse.

I have talked and visited many times with Jerry and have never heard him speak ill of anyone in my life which is certainly a fine tribute. Jerry was small in stature but was a very big man!

Being an editor, I swap newsletters with many clubs and all of them had words of praise for Jerry Page. We will most assuredly miss him very much. Our prayers are with Linda and Jolene.

*The family of
Jerry Page*

*acknowledges with grateful appreciation
your kind expression of sympathy*

*Thank you all for remembering
us during our time of
sorrow. We will all miss
him. We are grateful for
all of you, our friends.
Linda and Jolene*

TO THE DEEP SOUTH REGION

MINUTES - JULY 23, 1992

DEEP SOUTH REGION AACA

The July 23, 1992 meeting of the Deep South Region AACA was called to order at 7:30 pm by Tom Brown, President. There were 35 members and 9 guests (7 of whom were later voted in as members) present. Invocation was given by H. Hopkins.

OLD BUSINESS & REPORTS:President:

Tom directed the members attention to the motion made at the June meeting to establish a quorum. He noted that the members had been duly notified by mail of the proposed change and asked for discussion. Being none he called for a vote on the amendment. There were 2 oppositions, motion carried. He then instructed the secretary to proceed with sending the current Bylaws to National for review. Tom requested the number of members necessary for the 7/23/92 meeting from B. Hedberg which was 20; a quorum being present, the meeting continued.

Tom recognized a guest, Jody Davis, of the Spanish Fort-Daphne Lions Club who announced a car show to benefit the Lions Club Eye Bank. Mr. Davis left entry blanks with the club prior to leaving.

At this point P. Paquet asked the members making a motion to stand, state their name and motion since there was an error in the June minutes due to her not being able to always hear motions or know who was presenting the motion.

Tom asked for approval of the June minutes as printed. P. Paquet asked R. Harper to re-state his June 23rd motion to correct the minutes. This motion was noted, the June minutes will be corrected to reflect same. Being no further discussion of the June minutes, L. Moseley moved to approved minutes as corrected, seconded by R. Harper, motion carried.

Vice President:

B. Paquet announced the contributions toward the siding for the building totaled \$1754.00 as of this date. B. Hedberg, Treasurer, stated further donations had been received at the meeting making a total of \$1854.00. Buddy thanked the members for their generosity.

Secretary:

No report

Treasurer:

B. Hedberg distributed copies of the financial report; asked for questions regarding the report. There was no discussion on the report; B. Paquet moved to accept the report, L. Crowdus seconded, motion carried. (Copy attached.)

Editor:

No report

Activities:

L. Crowdus reminded the members of the outing 7/26/92 with the Old South club to Dauphin Island for watermelon. The August DSR outing will be at the clubhouse 8/30/92 at 4:00 pm for ice cream. He presented information on the 1992 Christmas party giving a choice of Russo's Restaurant and Korbet's Restaurant. The date is Dec. 12th. After some discussion, E. Lunsford moved to have the party at Russo's. Further discussion by L. Faust noted the concern of some members going downtown at night. By a show of hands Korbet's was favored. E. Lunsford asked to withdraw his motion; C. Smith moved to have the party at Korbet's, seconded by J. Howell, the motion carried.

NEW BUSINESS:

Tom presented membership applications from seven new members. The applications were accepted unanimously.

P. Fontana asked to be recognized. He provided information regarding a car show which has proved to be extremely successful and stated he felt we could benefit by that experience. He then nominated B. Paquet for the 1993 Car Show Chairman if he were willing to accept. Buddy stated he would accept on the condition it would be a "tri-Chairmanship" with D. McLaney and B. Whiting. B. Hedberg seconded motion. Some discussion followed on having G. Polk as a member of this group. Several members noted that Geary had stated previously that due to his work schedule, being out of town and other obligations he would not be able to actively participate but would be happy to help in other ways. R. Harper moved that P. Fontana work with the chairmen, Pierre agreed. L. Faust seconded this motion.

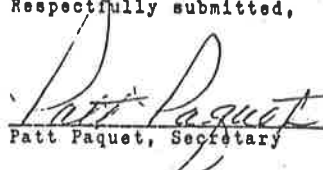

At this time there were two motions on the floor. Tom asked for a vote of the first (Chairmanship), motion carried. He then asked for a vote on the second (P. Fontana serving on committee), motion carried.

ANNOUNCEMENTS:

Eugenia Youens provided information to members on a new source for club shirts. (Copy attached to minutes) Tom told the members that refreshments were provided by L. Hopkins in celebration of Hop's 80th birthday on July 21st, asked everyone to participate and enjoy.

Being no further business to come before the membership, H. Whigham moved to adjourn, motion seconded by L. Crowdus. Meeting adjourned at 8:40 pm.

Respectfully submitted,

Patt Paquet, Secretary

NEW ACQUISITIONS

Al Little has acquired a 1920 Model T Ford touring that was originally owned by a friend of his grandfather. Al is in the process of restoring it. Al said he always wanted a very old car and now he has a fine one!

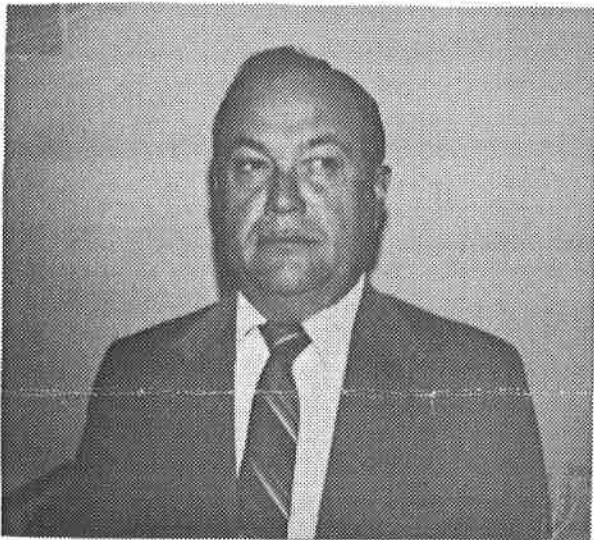

Dan and Sharon Garland have bought a red 1973 Mercury Cougar convertible with a white top and although I haven't yet seen it, I understand it is very nice. They also have a '65 red Comet convertible being restored.

Paul and Kathy Bowden have acquired a very fine 1967 red Oldsmobile 88 convertible with a white top. I've seen it and it is a beauty!

If there are other new acquisitions let me know and we'll put it in the SPARKPLUG so all of us will know.

NAVAL STATION OPEN HOUSE

The DSR was one of the local car clubs helping to welcome Naval Station Mobile to the area. We, along with Azalea City Classics (Chevy Club), MOPAR, Old South Antique Auto Club, and Southern Knights, met at Hardee's in Theodore on Sunday August 16th. Before we left there were many people who stopped to just look at the cars. A caravan of 16 cars created some fun on the way to the base and what a sight greeted us when we arrived! An "Avenue of Flags", one for each state, with the Stars and Stripes waving proudly at the end was something to see. Visitors at the open house waved, honked and greeted us as we made our way through the base to park. Members could tour any or all ships and facilities. Our red shirts certainly helped to make it a colorful event! Thanks to Charles Street, Activity Chairman from Old South Antique Auto Club for inviting the DSR to join this outing. From the DSR there were 2 Crowdus, 1 Francis, 1 Hunt, 2 Lunsfords, 3 McLaneys, 2 Paquets, 2 Reids and 2 Smiths.

KNOW YOUR MEMBERSAL LITTLE

Alfred (Al) Little is a native of Mobile, being born here and grew up in the Loop area. His family has been in Alabama since before it became a state. In fact, a part of his ancestors were here before Columbus made his trip over, as Al has some Creek Indian ancestry. He attended school here and also has a degree in pharmacy from Auburn University. He worked with the Federal Food and Drug Administration in New Orleans, Atlanta and Mobile until he retired and now works part time as a pharmacist for Cox Drug Store. Al has never married and lives with and takes care of his 88 year old legally blind mother.

Al has had an interest in antique cars for many years. His first old car was a 1962 Pontiac Tempest, his second a 1957 Chevrolet pickup and he recently acquired a 1920 Model T Ford touring, the original owner of which, was a friend of his grandfather.

Al is a very interesting, knowledgeable and high principled fellow, and although his work and care for his mother keeps him busy full time, the DSR is fortunate to have this fine man as a member. If you have the opportunity to meet and become acquainted with Al, by all means do so! You will be glad you did.

CONGRATULATIONS!

Congratulations are in order to Jerry Finley! He entered his 1966 Mustang in the Autorama in Biloxi and won his second "Prestige Award." That's quite an honor! Then while ole Jerry was all smiles, he won a drawing for \$50 worth of name-brand tools. Now that's carrying things a little too far, Jerry! Who'd you pay off?

ELIZABETH O'SHEA

We regret to inform you of the death of Mrs. Elizabeth O'Shea on July 25th, the mother of Arline Eschete. It's always tough to lose a parent and our sympathy is with Arline, Lou and Mrs. O'Shea's family. Arline also lost her father earlier this year. To our new members that may not know the Eschetes, they are past members of the DSR and are now active in the Catahoula Region of AACA. Lou is editor.

"I understand you restore old Model A's?"

GAVIN AND GLADYS

The Edwards are having their 50th Anniversary Reception on Sept. 6th. We will try to get a caravan of cars to go to Agricola. While it is in conflict with the Gould's outing to Excel, we'd like to see anyone not going to Excel to please go to Agricola.

THE EDWARDS' 50th ANNIVERSARY

To celebrate the Fiftieth Wedding Anniversary of Gavin and Gladys Edwards, their family requests the honor of your presence at a Reception on Sunday evening, the sixth of September, 1992 from 2:00 to 4:00 o'clock at New Hope Baptist Church, Agricola, Mississippi.

Your presence will be our gift. Please bring no other.

DIRECTIONS: Travel Highway 98 west through Wilmer, AL. Turn left on Natchez Road. Go through Howell Community, cross river, turn left on New Hope Church Road sign and two nursery signs. Follow blacktop road 2½ miles. Church is on the left with a large sign in front.

A GREAT RECIPE

We used to put a separate page in the newsletter for recipes and a lot of the ladies liked it, but we haven't been able to arrange that this year, so you will have to cut it out or copy this recipe. This is the very excellent cake that LaVerne made and brought to the July meeting in honor of Hop's birthday. It was so good many of the ladies requested the recipe and here it is:

BANANA-PINEAPPLE CAKE

3 cups flour (sifted)	8 oz. crushed pineappl (with juice)
1 tsp. soda	
1 tsp. cinnamon	1½ tsp. vanilla
2 cups sugar	3 eggs
1½ cups cooking oil	2 cups diced bananas
½ cup nuts (optional)	

Sift dry ingredients together, adding sugar. Dice bananas, add to dry ingredients. Add oil, vanilla, eggs, and pineapple juice. Add nuts. Stir to blend, but do not beat. Bake 1 hour and 20 minutes at 350 degrees. Use bundt or tube pan, greased and floured. Let cake cool 15 minutes before removing from the pan.

LaVerne Hopkins

RESPONSE FROM THE GREAT AMERICAN RACE

Leonard & Gloria Harpenau of California in the Great American Race car #11 wrote the DSR about their very eventful trip in their 1936 Buick. The car gave them a lot of problems and caused them to not be able to finish the race, but of all the cities and towns they went through, they had most praise for Mobile, Brewton and Picayune. Ted Holden and Paul Dobbin of Florida also wrote of their experience in the race. They were in a 1935 Chrysler, car #37, and finished in 8th place. They also said Mobile gave them the best reception of all the big towns in this year's race. Our efforts were obviously well thought of! It makes you proud of all the Mobile car clubs!

PLEASE READ!!! LOTS OF NEWS!!!! COME TO THE MEETING!! PLEASE NOTICE!!!

Hot weather is about to come to an end - (which of course, brings on our hurricane season!), and a lots of activities for the car clubs! Pensacola's AACAA Show at Seville Square was held last Saturday in the rain. Even though it rained, they had 68 cars!! 15 DSR members attended but with only 2 cars. But get prepared for lots more activity! Coming Thursday is our regular meeting -- don't miss it! Then Sunday, August 30th at 4:00 PM is our ice cream party at the club house. Please bring a freezer of homemade ice cream or cake or cookies to go with it. We will have a great time! Then Fri, Sat. and Sun, Sept. 4, 5, & 6 is Eric's & Paula's outing to Excel! On Sunday, Sept. 6 is Gavin & Gladys 50th anniversary celebration in Agricola, MS. Then the big Labor Day Car Show on Monday, Sept. 7, at the Fairground. Be sure to make this one! Also mark your calendar on Dec. 12 for our Christmas Party at Korbet's. Things are a-poppin'! Lots more in October, but we will announce them in the September newsletter.

So let's talk about all this at the meeting Thursday night, Aug. 27, at 7:30 PM!!!! SEE YOU THERE!!!!!!!!!!!!!!
