Host City

BORN TO CELEBRATE!

Mobile has a certain magic that keeps you on your toes. Where a melting pot of people, flavors, cultures and traditions become one voice to lead all of life's celebrations. Join the jubilee and welcome every day with an enduring passion and a little soulful hospitality, because life is the ultimate gift. This is the spirit of living. This is what we're born to do.

Funky, feisty, festive. Or historic, hip and happening. Colorful, cool and cultured. You can call this coastal town a lot of things when you have a vibrant 300 year history with lots of stories to tell and long-standing traditions celebrated on a regular basis. Once called the Paris of the South, Mobile has long been the cultural center of the Gulf Coast and you'll find an authentic experience found nowhere else in the southern United States.

Home to America's original Mardi Gras that rolls through the streets of our historic downtown; dozens of festivals, art shows, or culinary cook-offs nearly every weekend, Mobile takes having fun pretty seriously. For a bit more leisurely experience, nearby historic neighborhoods are lined with giant live oaks trees or paddle in one of the most significant river delta systems in the country just minutes from downtown.

Downtown

They say the heart of any city is its downtown and ours is beating loudly these days. The twelfth busiest port in the country, Mobile is the social, economic and creative hub of the entire Gulf Coast - our sidewalks and colorful downtown have drawn people for centuries. Many large businesses are headquartered in downtown Mobile right next to quaint, locally-owned art galleries, shops, restaurants and bars. On any given week day, you'll encounter business people, artists, construction workers, shop owners, students, families and tourists making their way along our flower-lined streets.
